Ecumenical Bible Week 2025 - September 7th - 14th : This year marks 1,700 years since the first ecumenical council of the Christian church took place: The Council of Nicaea, held in 325 CE. The meeting of this council was a significant moment in history as it gave rise to the Nicene Creed. This year's Ecumenical Bible Week, sees a number of events which will explore the connection between Scripture and the Nicene Creed, under the title "*Nazareth to Nicaea*".

For more information about all the events planned see:
