## Thought for the Week

We can cure physical diseases with medicine, but the only cure for loneliness, despair, and hopelessness is love. There are many in the world who are dying for a piece of bread but there are many more dying for a little love. The poverty in the West is a different kind of poverty - it is not only a poverty of loneliness but also of spirituality. There's a hunger for love, as there is a hunger for God.

Mother Teresa

### *Questions to aid reflection:*

- As I look at the world around me, where is there insufficient love?
- How can I bring a little tenderness and care to dark places?
- What does it mean to be a love-bearer in my community?
